General Information

This list cancels all previous quotations, and these prices are subject to change, according to market conditions.

TRADE TERMS: All invoices are net, payable 30 days from date. Cash discounts 2 per cent, 10 days.

CREDIT: We are pleased to extend credit to customers of known responsibility. Persons unknown to us should furnish us with the names of three firms in the trade with whom they have credit relations.

CLAIMS: No claims for rejections or deficiencies will be allowed unless made within 10 days after receipt of goods. In case of loss by delay or damage in transit, adjustment must lie between consignee and carrier, but we will gladly render any aid possible in adjusting claims.

SHIPMENTS: By express, prompt delivery in good order is reasonably sure. Freight shipments are entirely at purchaser's risk, after we have delivered goods to railroad or steamship in good order and have taken proper bills of lading.

In absence of shipping instructions, we use our discretion as to method and route.

MOTOR TRANSPORTATION. Deliveries may be made by motor truck at prices based on load and distance, this service being a matter of special arrangement.

CERTIFICATE OF INSPECTION: Our nurseries are carefully examined each year by inspectors of the state, and each shipment bears the Entomologist's Certificate.

GUARANTEE: In growing and furnishing all nursery stock we use the greatest care to have it true to name, and will replace any that may prove untrue; but we give no warranty, express or implied, as to description, quality, productiveness, or any other matter, of nursery stock, seeds, bulbs, or plants we sell. For any error we shall not be liable for more than the purchase price. Every purchase from us is made on these terms.

If any plant purchased of us dies within a year from the time of planting, from causes other than abuse or neglect, and the account has been paid within 30 days from date of invoice, we will resupply them, at one-half the original price paid, with other plants of as near similar kind, grade and size as we have in stock at the time of replacement. We thus divide losses, even though we have no control over their transit, planting, maintenance, or weather conditions, all of which are quite as vital to the success of newly planted stock as anything within our control. Such replacements, however, must be made within one year from date of invoice.

NEW CANAAN, CONN.

The above illustration shows a Sugar Maple. Notice the size of the ball of earth; it is in proportion to the top. Plant it properly, give it good care, and your chance of losing it is very small.

The Planting of Large Trees

Before entering into this branch of the work we looked carefully into all the different appliances and machines for moving the large trees, and, after seeing the work of the different machines and watching the results of the transplanting, chose the one which we thought did the most satisfactory work.

The secret of success in large tree moving is to move the trees as quickly as possible, with the proper amount of dirt on the roots in proportion to the size of the tree. This our machine does, whether the earth is frozen or not. The tree is lifted with a large ball of dirt, so that its roots are not disturbed, neither are they exposed to the sun and wind.

We have been moving trees for the past 20 years with this machine and are now prepared to take up the work so as to assure success. It is much easier and cheaper to remove the dirt from the roots, but it is not so successful. We are prepared to furnish estimates on moving or furnishing large trees. The price for moving or furnishing these trees varies from \$100. up, according to the size, location, how far they are to be moved, also the condition of the ground.

One very essential part to remember is that, after the tree has been moved care should be given that tree for two years, until it gets established and growing. It should be well watered and fertilized, and cared for as a small potted plant. The amount of nourishment a large tree requires is more than the majority of people realize, and they cannot be neglected and left to care for themselves after planting.

Both Norway and Sugar Maples move successfully. We do not advise moving trees that are too large, as each inch in the diameter of the tree adds a number of dollars to the cost of moving.

Trees that are 8 to 12 inches in diameter are the best size to move. Elms, Lindens, Horse Chestnuts, and Beeches all move successfully, also the Oaks, Pines and Spruce trees.

The American Cedars move very successfully, and are one of the best trees for making immediate screens or for wind-breaks.

American Cedars, balled, ready to plant.

Deciduous Trees

Our shade and lawn trees are well grown, transplanted specimens, dug with strong, fibrous roots, and should not be compared with untransplanted stock offered at lower prices.

We can usually supply larger sizes than those here quoted, for which special prices will be given on request.

THE MAPLES

The Maples supply us with some of the most useful street and shade trees available for general planting. They are comparatively rapid in growth, symmetrical, and free from the ravages of many of the most destructive insect pests.

	Each	Per 10	Per 100
ACER dasycarpum (Silver-Leaved Maple).			
8-10 ft.....	\$1.50	\$12.50

Large Specimen Shade Trees

We can furnish several varieties of shade trees in larger sizes than those catalogued.

Prices on application.

Japan Maples

Each Per 10 Per 100

- A. **polymorphum atropurpureum nigrum** (Dark Purple-Leaved Japanese Maple).
 2-2½ ft.....\$3.00 to \$5.00
- A. **polymorphum atropurpureum dissectum** (Cut-Leaved Purple Japan Maple).....\$3.50 to 5.00
- A. **polymorphum dissectum** (Green-Leaved).
 18-24 inches.....\$5.00 to 7.00

HORSE-CHESTNUT

Each Per 10 Per 100

- ÆSCULUS Hippocastanum** (European White Flowering Horse Chestnut).
 6- 8 ft.....\$2.50 \$20.00
 8-10 ft.....3.00 25.00
 10-12 ft.....5.00 40.00
- Æ. rubicunda** (Red Flowering Horse Chestnut).
 4-6 ft.....2.00
 6-8 ft.....3.00
- AMELANCHIER botryapium** (Sugar Pear, Shad Bush).
 3-4 ft......75 6.50

BETULA. Birch

Each Per 10 Per 100

- BETULA alba** (European White Birch).
 7- 8 ft.....\$1.50 \$12.50
 8-10 ft.....2.50 22.50
 10-12 ft.....\$3.50 to 5.00
- B. alba pendula Youngii** (Young's Weeping Birch).
 4-5 ft.....5.00
 6-8 ft., specimens.....\$10.00 to 25.00
- B. alba pendula laciniata** (Cut-Leaved Weeping Birch).
 6- 8 ft.....1.50
 8-10 ft.....2.50
- B. papyrifera** (Paper, or Canoe Birch).
 6- 8 ft.....1.50
 8-10 ft.....2.50

CATALPA

Each Per 10 Per 100

- CATALPA Bungei** (Umbrella Catalpa).
 1-year heads.....\$2.50
 2-year heads.....\$3.00 to 5.00
- C. speciosa**.
 8-10 ft.....2.00
 12-14 ft.....\$3.50 to 5.00
- CERCIS canadensis** (Red Bud, or American Judas).
 3-4 ft......75 6.50
 4-5 ft.....1.00 9.00
- CERASUS hortensis** (Japanese Flowering Cherry).....\$3.50 to 5.00
- C. pendula** (Japanese Weeping, or Rosebud Cherry).....\$3.50 to 7.50
- CERCIDIPHYLLUM japonicum**.
 5-6 ft.....1.50
 6-8 ft.....3.00
- CHIONANTHUS virginica** (White Fringe).
 3-4 ft.....2.00 17.50
- CLADRASTIS lutea**; syn. **VIRGILIA lutea** (Yellow-Wood).
 5-6 ft.....2.50
 6-8 ft.....3.00

	Each	Per 10	Per 100
CORNUS florida (White Dogwood).			
3-4 ft.	\$1.00		
5-6 ft.	1.50		
Specimen Plants. Prices on application.			
C. florida rubra (Red Flowering Dogwood).....	\$3.50 to	10.00	
CYTISUS Laburnum (Golden Chain).			
4-6 ft.	1.25	\$12.00	
6-7 ft.	2.00	17.50	
CRATÆGUS crus-galli (Cockspur Hawthorn).			
4-5 ft.	1.00	9.00	
5-6 ft.	1.50	12.50	
C. monogyna (English Hawthorn).			
4-5 ft.	1.00	9.00	
5-6 ft.	1.50	12.50	
C. monogyna albo-plena (Double White Hawthorn).			
3-4 ft.	2.00		
C. monogyna Paulii (Double Scarlet Thorn).			
3-4 ft.	2.00		

FAGUS. *Beech*

	Each	Per 10	Per 100
FAGUS sylvatica (European Beech).			
5-6 ft.	\$2.00	\$15.00	
6-8 ft.	3.00	25.00	
Specimen Plants. Prices on application.			
F. sylvatica pendula (Weeping Beech).			
6-7 ft.	\$6.00 to	10.00	
Specimens to.....	35.00		
F. sylvatica purpurea (Purple, or Copper Beech).			
3-4 ft.	1.50	12.50	
4-6 ft.	2.50	22.50	
Specimens from.....	\$5.00 to	75.00	
F. sylvatica purpurea Riversii (Rivers' Purple Beech).			
3-4 ft.	2.00		

FRAXINUS. *Ash*

	Each	Per 10	Per 100
FRAXINUS americana (American White Ash).			
10-12 ft.	\$2.50		
F. excelsior (European Ash).			
10-12 ft.	\$2.00 to	2.50	
F. ornus (Flowering Ash).			
6- 8 ft.	2.00		
8-10 ft.	3.00		
GYMNOCLADUS canadensis (Kentucky Coffee Tree).			
4-5 ft.	1.50		
5-6 ft.	2.50		
KÆLREUTERIA paniculata (Varnish Tree).			
4-5 ft.	1.50		
5-6 ft.	2.50		
LARIX europæa (European Larch).			
8-10 ft.	\$2.50 to	5.00	
L. Kaempferi (Japanese Larch).			
10-12 ft.	5.00		
LIQUIDAMBAR Styraciflua (Sweet Gum).			
6-8 ft.	2.00		
LIRIODENDRON tulipifera (Tulip Tree).			
6- 8 ft.	1.50		
8-10 ft.	2.00		
10-12 ft.	2.50		

MAGNOLIA**CHINESE AND JAPANESE VARIETIES**

Each Per 10 Per 100

MAGNOLIA Lennei (Red Flowers).....	\$5.00 to \$8.00		
M. Soulangeana (White Flower, Pink Inside).....	\$5.00 to 8.00		
M. stellata (Hall's Japanese Magnolia).	\$5.00 to 8.00		
M. acuminata (Cucumber Tree).			
5-6 ft.....	2.00		
MORUA alba tatarica (Russian Mulberry).			
5-6 ft.....	1.50		
6-8 ft.....	2.50		
M. alba tatarica pendula (Tea's Weeping Mulberry).....	\$2.50 to 5.00		
OXYDENDRON arboreum ; syn., ANDROMEDA arborea (Sorrel Tree).			
2-3 ft.....	1.25	\$10.00	
3-4 ft.....	2.00	17.50	
PERSICA vulgaris alba-plena (Double White Flowering Peach).....	1.50		
P. vulgaris rubra-plena (Double Red Flowering Peach).....	1.50		
PLATANUS orientalis (Oriental Plane Tree).			
8-10 ft.....	1.75	15.00	
10-12 ft., 1¾ to 2-in. diam.....	3.50	30.00	
12-14 ft., 2 to 2½-in. diam.....	4.50	40.00	
PYRUS angustifolia (Bechtel's Flowering Crab).			
3½ ft.....	2.00		
P. floribunda (Single Flowering Crab).			
3-4 ft.....	3.50		
4-5 ft.....	5.00		
P. Parkmanii (Parkman's Crab).			
3 ft.....	3.00		
3-4 ft.....	5.00		
P. floribunda atrosanguinea (Single Carmine).			
3-4 ft.....	3.50		
4-5 ft.....	5.00		

POPULUS. Poplar

Each Per 10 Per 100

POPULUS fastigiata (Lombardy Poplar).			
8-10 ft.....	\$1.50	\$12.50	\$100.00
10-12 ft.....	2.00	18.00	
P. monilifera carolinensis (Carolina Poplar).			
8-10 ft.....	1.50	12.50	100.00
10-12 ft.....	2.00	18.00	
PRUNUS Pissardii .			
3-4 ft.....	1.25		
4-5 ft.....	1.50		
P. triloba (Double Flowering Plum).			
3-4 ft.....	1.75		

QUERCUS. Oak

Each Per 10 Per 100

QUERCUS coccinea (Scarlet Oak)....	\$1.00 to \$5.00		
Q. cucullata (Curled Pyramidal Oak).	\$5.00 to 15.00		
Q. palustris (Pin Oak).			
8-10 ft.....	2.50	\$20.00	
10-12 ft.....	6.00	and up	
Q. rubra (American Red Oak).			
6- 8 ft.....	2.50	20.00	\$175.00
8-10 ft.....	3.50	30.00	250.00
10-12 ft.....	4.00	35.00	300.00
12-14 ft.....	5.00	45.00	
14-16 ft.....	\$8.50 to	75.00	

ROBINIA Pseudacacia (Yellow Locust).	Each	Per 10	Per 100
6-8 ft.....	\$1.25		
SALISBURIA adiantifolia (Ginkgo, Maidenhair Tree).			
6- 8 ft.....	2.00		
8-10 ft.....	\$3.00 to 5.00		
SALIX babylonica (Weeping Willow).			
6- 8 ft.....	1.00	\$ 7.50	
8-10 ft.....	1.50	12.50	
S. babylonica aurea (Yellow Weeping Willow).			
6- 8 ft.....	1.25	10.00	
8-10 ft.....	1.75	15.00	
S. elegantissima (Thurlo's Weeping Willow).			
5-6 ft.....	.75	7.00	
6-8 ft.....	1.25	12.00	
S. caprea (Goat, or Pussy Willow).			
5-6 ft.....	.75	7.00	
6-8 ft.....	1.25	12.00	
S. pentandra (Laurel-Leaved Willow).			
4-5 ft.....	.75	7.00	65.00
5-6 ft.....	1.25	12.00	
6-8 ft.....	1.50	12.50	
S. vitellina aurea (Golden Willow).			
4-5 ft.....	.75	7.00	
5-6 ft.....	1.25	12.00	
6-8 ft.....	1.50	12.50	
SOPHORA japonica (Japan Pagoda Tree).			
3-4 ft.....	1.50		
4-5 ft.....	2.00		

TILIA. *Linden*

	Each	Per 10	Per 100
TILIA americana (Basswood, American Linden).			
8-10 ft.....	\$2.50	\$20.00	
10-12 ft.....	3.50	30.00	
12-13 ft.....	5.00	40.00	
T. argentea (Silver Linden).			
10-12 ft.....	3.50	30.00	
12-14 ft.....	5.00	40.00	
T. europæa (European, or Small-Leaved Linden).			
10-12 ft.....	3.50	30.00	\$250.00
12-14 ft.....	5.00	40.00	
T. europæa rubra (Red Branched English Linden).			
10-12 ft.....	3.50	30.00	250.00

T. platyphyllos (Large Leaved Linden).			
10-12 ft.....	5.00		
12-14 ft.....	6.00 and up		
Ulmus americana (American, or Rock Elm).			
10-12 ft., 1½-2 in.....	3.50	30.00	
12-13 ft., 2-2½ in.....	5.00	40.00	
14-15 ft., 3-in. diam.....	\$8.00 to 10.00		

In addition to the varieties of plants listed in catalogue, we have numerous other kinds in stock which it has been necessary to leave out for want of space. In some varieties we can furnish additional grades other than those listed. Write if you don't find what you want, as we may be able to supply it for you.

There is a significance in trees as birthday and holiday gifts. Their sturdy growth and increasing beauty are symbolic of love and friendship. And as memorials they serve as living monuments of ever-increasing beauty.

Hardy Evergreens

ABIES. *Fir*

	Each	Per 10	Per 100
ABIES balsamea (Balsam, or American Silver Fir).			
3-4 ft.....	\$3.00	\$27.50	
4-6 ft.....	5.00	45.00	
A. concolor (White Fir).

ILEX crenata (Japanese Holly)..	\$1.50 to 5.00		
KALMIA latifolia (American Laurel).			
18-24 in.....	3.00		
For larger sizes, prices on application.			
MAHONIA aquifolium (Holly-Leaved Mahonia).			
12-18 in.....	1.00		
YUCCA filamentosa (Adam's Needle)...	.50	4.50	

PLANT WHITE PINES FOR HEDGES AND WINDBREAKS

One of the pleasures from planting Evergreens on your lawn is the beauty which they possess during the winter season, when their branches are laden with snow.

A few minutes a day spent among the trees and plants on your lawn will help to lighten the day's burdens and to make life worth while.

Your boys and girls will enjoy growing up with a tree. Their interest in the wonders of nature will be greatly promoted thereby.

While it is not always possible to plant trees on anniversaries, owing to the limited planting season, we will be glad to make reservations for you, for shipment at the proper time.

RHODODENDRONS

Hybrid

Sizes, 15 inches to 3 feet. Prices, \$3.50 to \$10.00.

Abraham Lincoln, red.
album grandiflorum, white
Alexander Dancer, bright
 rose.
album elegans, white.
Charles Dickens, red.
C. D. Godman, red.
candidissimum, white.
catawbiense alba, white.
delicatissima, white.
Daisy Rand, crimson.
Everestianum, rosy lilac.
F. L. Ames, rosy-pink.
General Grant, red.
H. W. Sargent, red.
Ignatius Sargent, pink.

J. R. Trumphy, rosy-crim-
 son.
Kettledrum, red.
Kissena, lavender.
Lee's Dark Purple, purple
maximum roseum, pink.
Mrs. Harry Ingersoll, rosy-
 lilac.
Mrs. Milner, red.
Mrs. C. S. Sargent, red.
Memoir, blush white.
Parson's grandiflorum, red
purpureum elegans, purple
roseum elegans, pink.
roseum luteum, pink.
Senator Charles Sumner,
 red.

RHODODENDRON maximum. This is the hardy Rhododendron which is gathered in the mountain regions of Pennsylvania or Virginia; can be furnished in carload lots. Orders for this variety of Rhododendron should be sent to the nursery as early as April 1st, in order to have them collected as early as possible. Write for sizes, conditions and prices.

Hardy Flowering Deciduous Shrubs

S. sexangulare (Stonecrop). 6-8 in. Aug. and Sept.

S. Sieboldii. Pink, 6-8 in. Aug. and Sept.

S. spectabile. Rose, 12-15 in. Sept. and Oct.

S. spectabile atropurpureum, 12-15 in., purple, crimson. Sept. and October.

SPIRÆA aruncus (Meadow Sweet). 4-5 ft., white. June and July.

S. filipendula fl. pl. 2 ft., white.

STOKESIA cyanea. Lavender, 1½ ft. July.

S. cyanea alba. White.

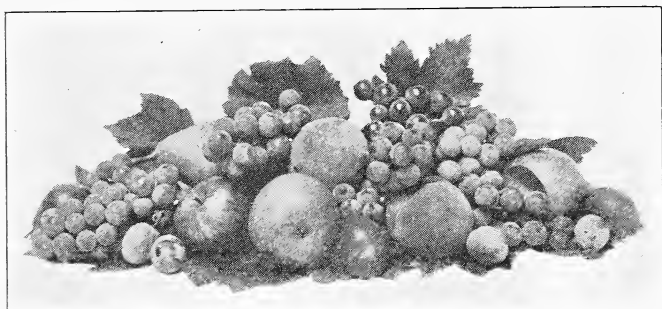

VALERIANA officinalis (Hardy Heliotrope). Rose-pink, 2 ft. June and July.

VERONICA longifolia subsessilis. Blue, 2 ft. July.

V. repens. Pale blue.

VIOLA cornuta Admiration. Purple. 10-in. May.

Plant Perennials this year in the flower bed, where you have been using Annuals. Each year you have to replace the Annuals, whereas the Perennials come up season after season with very little extra work or expense.

Fruit Trees and Small Fruits

GROWN IN NEW ENGLAND. WELL ROOTED, CLEAN AND THRIFTY.

Distance between Trees or Plants in Plantations

Standard Apples, 30 to 40 feet apart each way. In poor soil, 25 feet may be enough.

Standard Pears and Cherries, 20 feet apart each way. Cherries will do at 18 feet, and the dwarf-growing sorts, Dukes and Morellos, even at 16 feet.

Standard Plums, Peaches, and Apricots, 16 to 18 feet apart each way.

Quinces, 10 to 12 feet apart each way.

Dwarf Pears, 10 to 12 feet apart each way. The greater distance is better where land is not scarce.

Dwarf Apples, on Paradise stock (bushes), 6 feet apart.

Currants, Gooseberries, and Raspberries, 3 to 4 feet apart.

Blackberries, 6 to 7 feet apart.

Grapes, 8 to 10 feet apart.

Strawberries (see under Strawberries).

The number of plants required for an acre, at any given distance apart, may be ascertained by dividing the number of square feet in an acre (43,560) by the number of square feet given to each plant, which is obtained by multiplying the distance between *rows* by the distance between the *plants*. Thus, Strawberries planted 3 by 1 foot give each plant 3 square feet, or 14,520 plants to the acre.

APPLES

The following list of Apples embraces varieties which have been tested and can be recommended as the very best for general cultivation. All Apples are furnished in standard sizes, unless dwarf are specified.

Prices: 2 to 3 yrs., 5-7 ft., \$1.25 each, \$10.00 per 10, \$90.00 per 100.

SUMMER

- Golden Sweet.** Large, pale yellow; sweet.
- Red Astrachan.** Large crimson, very early.
- Sweet Bough.** Large, pale greenish yellow.
- Yellow Transplant.** Pale yellow, flavor acid.

AUTUMN

GOOSEBERRIES

Price: 40c. each, \$4.00 per doz.

Downing. Whitish green flesh.

Houghton. Pale red, medium size.

Pearl. Most prolific green.

Red Jacket. Best red, splendid cropper.

STRAWBERRIES

For best growth, Strawberries require light fibrous or sandy loam, well enriched, with plentiful moisture during the bearing season. The plants should be set 12 to 15 inches apart, in rows 2½ to 3 feet apart. They should be kept free from weeds, and mulched with straw or litter in Winter. Fruit is borne the year after planting.

Varieties here listed are *perfect flowered*.

PRICES

Layer Plants. For Spring planting. \$3.50 per 100, \$25.00 per 1000.

Brandywine. Hardy, good quality. Medium. P. F.

Early Ozark. P. F. Extra early; dark red.

Gandy. Large berries; late. Splendid keeper. P. F.

Glen Mary. Large; crimson berry; late. P. F.

Klondike. Size, medium. Medium early. P. F.

Marshall. Requires no recommendation; is medium late.

FALL, OR EVERBEARING STRAWBERRIES

Runner Plants. For Spring planting. \$5.00 per 100.

Progressive. This variety makes a vigorous growth, and produces immense quantities of berries. Blossoms should be kept picked off until about the middle of July. If this is done, a heavy crop is insured from about the first of August until heavy frost. The berries are of medium size and excellent quality.

Superb. The berries of this excellent variety are a little later than those of Progressive. The plants are about equal in vigor of growth, but do not produce so many berries per plant as Progressive.

NUTS

WALNUTS. JUGLANS

Black Walnut. A native species, of large size, foliage beautiful. 4-5 ft. \$1.50 each.

Butternut. Native tree, bearing excellent nuts. 4-6 ft. \$1.50 each.

English, or Madeira Nut. Handsome growing tree, large, thinned shell nuts. 3-4 ft. \$2.00 each.

ASPARAGUS

Price: \$2.50 per 100, \$20.00 per 1000.

Barr's Mammoth. Early variety; very productive and largest size.

Conover's Colossal. Immense size, color deep green, high flavored.

Palmetto. Earliest and best yielder, largest shoots.

RHUBARB

Price: 50c. each, \$4.25 per doz.

Early Scarlet. Rather small, early and good.

Myatt's Linnaeus. Largest and best for all market purposes.
